Education

Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow
Master of Computer Applications (MCA)
June 2024 - June 2026

SKILLS SUMMARY

- **Languages:** Python, Java, Kotlin, SQL, C++, C
- **Android:** Android SDK, XML, Activities, Fragments, Recycler View
- **Architecture**: MVVM
- **Backend:** Firebase (Authentication, Firestore, Storage)
- **Libraries:** Glide, Retrofit (REST API integration), Room DB
- **Platforms**: Android Studio, IntelliJ IDEA, Git
- **Soft Skills:** Communication Skills, Teamwork, Problem Solving, Time Management, Adaptability

PROJECTS

Pixora – Social Media Android App (Kotlin)
- Developed a social media app with real-time features and modern UI
- Implemented authentication (Login/Signup) using Firebase
- Built dynamic home feed with post upload functionality
- Added like, comment, and user profile features
- Integrated Firebase Storage for image handling
- Used MVVM architecture and Recycler View for performance
- Optimized image loading using Glide

CERTIFICATES

Core Java+ Android (Ducat India)
- Completed comprehensive training in **Core Java and Android development**, covering OOP concepts, UI design, activities, and API integration.
- Built hands-on Android applications using Java, implementing features like user authentication, data handling, and responsive layouts.

Networking and Web Technology (Infosys)
- Gained knowledge of networking fundamentals including protocols, IP addressing, and client-server architecture, along with core web technologies like HTML, CSS, and JavaScript.
- Developed basic web applications and understood concepts of web communication, HTTP/HTTPS, and responsive design principles.
